

ALL DON ALMOHADÓN PRODUCTS ARE 100% OF SPANISH ORIGIN

Don Almohadón only works with suppliers who guarantee their products and quality with certificates from accredited laboratories

- Meet the Oeko-Tex Standard Certificate class 1 as regards harmful substances
- Meet the HYG CEN Certificate on the non-toxicity of medical products according to the norm DIN EN ISO 10993-5/SOP 09-001.
- Associated with ECOEMBES, company specialized in selective recollection and recovery of packaging.

GUARANTEE

Don Almohadón provide free of charge warranty for a period of 8 years, exclusively for the core deformation, being repaired or replaced in which case the customer can get in return the difference between the value of the core nucleus and the outer fabric.

• Mercurio and Venus models have 2 year guarantee its core.

DON ALMOHADON is not responsible for mattresses which develop humidity stains, yellow spots and other stains produced by natural body sweating or liquid spills of any kind as a result of careless day to day use.

ALL DISPUTES ARE TO BE RESOLVED BEFORE THE COURTS OF ONTINYENT, SPAIN. IN CASE OF JURIDICAL DISPUTE OF JURISDICTION BETWEEN 2 COUNTRIES, SPANISH COURT WILL ALWAYS PREVAIL.

Grandes efemérides

This year 2020, Don Almohadón introduce all novelties in the world of rest, quality and also design wise.

All this together with a great personal motivation as it is a very important year with all day's anniversaries to celebrate.

Don Almohadón reach the age of majority and like in all families, when their sons are **18 years old**, happiness is sublime and shared by all loved ones.

Don Almohadón reach **18** and want to involve friends and family, customers, suppliers as well as their human team, thanking all of them for their efforts to make possible to get to this point.

Together with all mentioned, we are glad to introduce the new acquisition **DON ALGODON-REST**, worldwide known brand which we are proud to share with all of you.

At the same time, we are proud with the incorporation of **Javier Olcina Tortosa** in the human team as **deputy manager**. All development of this collection along with its corresponding marketing is his first work for Don Almohadón.

We hope you are pleased with this collection and thank you for confidence to be able to progress and improve every day as Don Almohadón career has shown with the time.

We thank you all of you for trusting in Don Almohadón, your home.

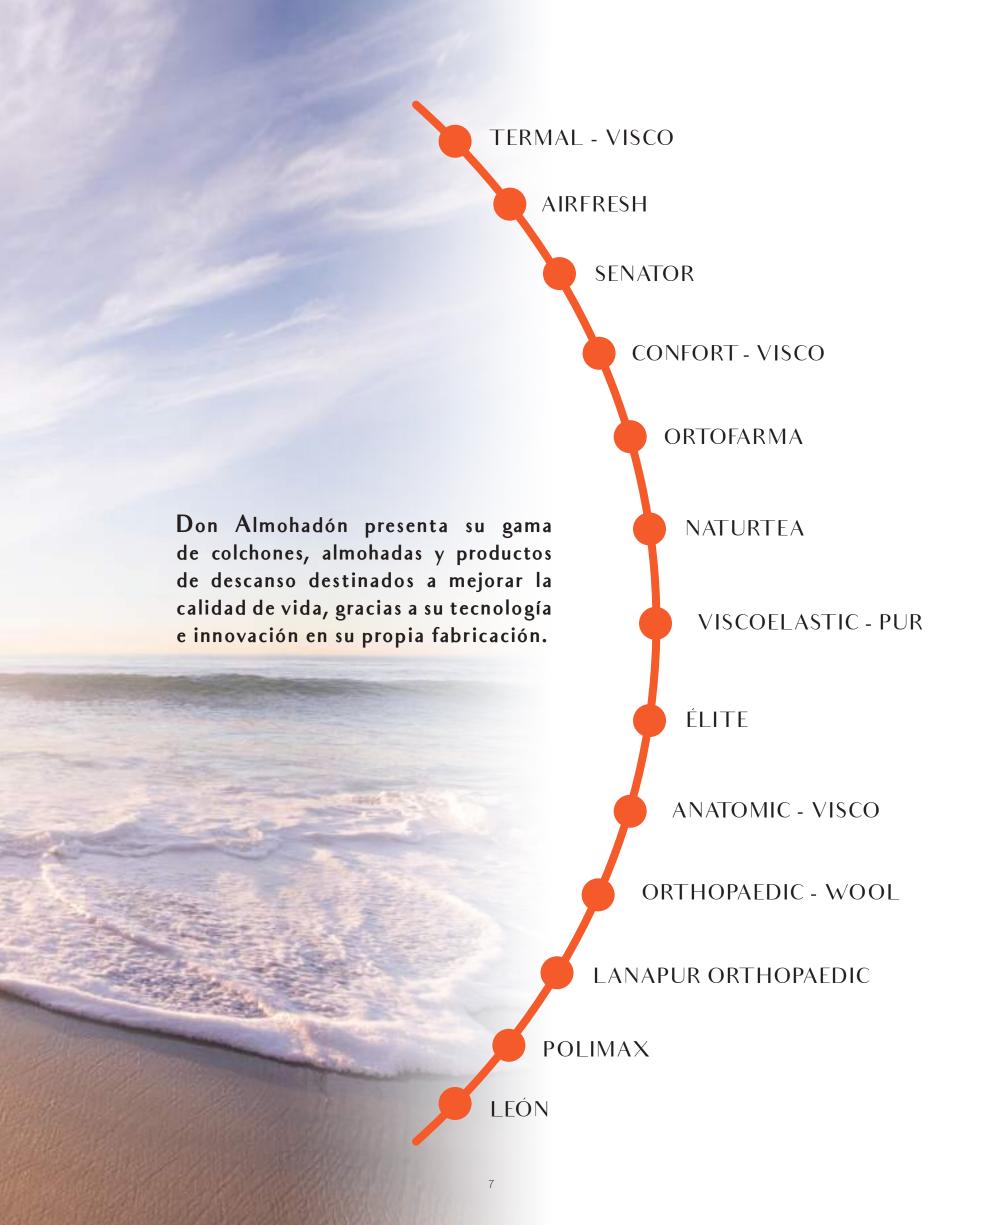

Atentamente:

José Olcina Director General Javier Olcina Adjunto Gerencia

TERMAL - VISCO

- WINTER/SUMMER

AVAILABLE IN BROWN AND GREY

This mattress provides excellent comfort thanks to supreme quality materials produced in our country. The main idea is to use winter side with velour fabric which provides warm and smooth rest and summer side with 100% 3D breathable fabric which provides coolness.

IMIGUE IN THE MARKET

AIRFRESH

- WINTER / SUMMER

AIRFRESH mattress is produced with the Fabric "Mint Sensation" which provides a continuous flow of coolness. These benefits are possible thanks to the innovative conductivity features and fibres thermal absorption. At the same time, we have to highlight the breathability which this new innovative fabric provides.

SENATOR

SENATOR mattress has a specific core with 3 different resting zones with transversal perforation providing a better ventilation and adaptation to our body. The first resting zone has 2cm memory foam The second one is made of a base of eliocel in order to improve the ergonomics of the memory foam. The third zone act as support of the previous two in order to get an optimal comfort.

Due to the different resting zones, it obtains **6cm of memory foam.**

CONFORT - VISCO

CONFORT-VISCO mattress has a structure of **memory foam material thermosensitive 6 cm thickness**, getting the mattress to adapt to each part of the body with any pressure according to the ergonomic needs.
